¹Food purchases only, unless otherwise specified. ²194 active-duty dining halls only. Does not include OPrats or contingency operations feeding in Afghanistan and elsewhere. ³Does not include \$8.6 million in OPrats. In addition, contractors received \$279 million for operating dining halls and Food 2.0 venues. USAF non-food purchases for dining halls amounted to \$22 million. ⁴Fiscal 2018 data. Includes \$270 million for 47 contractor-operated CONUS mess halls, \$32 million for OCONUS garrison support and \$100 million for operational support. ⁵Estimated ⁶Estimated additional food service purchases for military services. Total fiscal 2017 DLA Troop Support subsistence purchases for all government agencies was \$2.7 billion. ⁷\$642.6 million in direct sales, \$260.5 million in concession revenues. ⁸\$30.2 million in sales at direct-run operations, \$247.3 million in sales at concession operations. ⁹Includes 189 PatriotCafes with \$143.9 million in sales and 160 PatriotBrew coffee locations with \$39.4 million in sales. ¹⁰Due to variances in reporting/accounting procedures, these figures may not accurately reflect all branded-restaurant sales. ¹¹Includes club sales and activity revenues only. In fiscal 2017, Air Force Services operated 336 NAF food operations, spending \$68 million for food on NAF prime vendor contracts. ¹²Includes Navy branded food service outlets only. ¹³Includes 45 clubs and eight full-service restaurants with \$57.1 million in sales; 131 branded food outlets with \$113.8 million in sales; and non-branded QSR, snack bar and mobile restaurants with \$33.2 million in sales. ¹⁴Includes only food service directly operated by Defense Health Agency or individual military services. Fiscal 2016 estimates. ¹⁵Fiscal 2016 data. Does not include \$16.1 million in operating supplies. ¹⁶NEXCOM, fiscal 2016 data; others, fiscal 2017. ¹⁷In addition, NEXCOM operates RedBox machines with fiscal 2016 revenues of \$2.0 million. ¹⁸Military total includes Department of Veterans Affairs food service operations. ¹⁹Includes all fiscal 2017 food service budgeted expenses. Food purchases in past years have accounted for roughly 60 percent of the budget. ²⁰Includes 138 food service outlets at 101 sites. ²¹About 800 Randolph-Sheppard activities offer vending services, including food service, in federal properties. ²²Fiscal 2017 on-board sales only. Number of dining venues is approximate; system operates "more than 300" trains daily. ²³Does not include such other operations as FEMA disaster relief, USDA's multi-billion-dollar food service support programs for public schools, Indian reservations, and other organizations, and many additional capital-area food service operations. NOTE: Subtotals and totals may not add up due to rounding.
